Get the app

- Snatch the Thinkable Live mobile app on your phone!
- Google Play Store:
<https://play.google.com/store/apps/details?id=com.thinkable.live>
- Apple App Store:
<https://apps.apple.com/us/app/thinkable-live/id1223262700>

You should see something like this →

Make/Test Apps

- Sign in with your GW Google account again
- Now, when you make apps on the web, you'll be able to test them on your phone!

Please note that you have the free version of Thinkable -- this means you can only make 10 apps and all your apps will be publicly viewable.
